Memorandum of Understanding

Users / Borrowers of German Township Fire Department – John Deere Gator.

This Memorandum of Understanding (MOU) sets forth the points of agreement between the German Township Fire Department (FD) and the Organization named below regarding the expectations and requirements.

The person borrowing assets from the FD understands that this agreement requires that you bring the equipment back in the condition that it was loaned to you. The borrower is responsible for fuel costs, repairs of flat tires including replacement if the damage is attributable to your use and security of equipment when not in use. This agreement includes the use of and loan of the trailer to transport the Gator to and from the site of use.

The FD asserts that the equipment is in good operational condition when it is loaned. The FD is responsible for the general maintenance costs of this vehicle such as oil changes, batteries, belts and headlight replacement.
